OLD BUSINESS

Discussion continued for ideas to encourage membership participation in work parties. Work parties generally are attended by the same members. Club support is encouraged. Any help you can offer would be greatly appreciated. There is a potential for raising membership fees next year.

Darrel Plank received a letter last month from the ODFW regarding fish counting. This event will probably take place in May.

NEW BUSINESS

Darrel Plank attended a meeting regarding the 2nd Amendment. Union County Commissioners did not like the wording of the proposal. The proposal was tabled for now until the wording is revamped.

Respectfully submitted,
Martha Bailey

“Happy Valentine's Day”
