The club currently has 52 members.

Discipline reports

Black powder: Director, Lee Sancoy: The turkey shoot in December was fun for all in attendance. All shooters won something. The price of next year's shoot will increase to pay for the prizes (\$20). The match will also be held in November. The next black powder shoot will be January 8th.

Archery: Director, Steve Campbell: No report.

22 Silhouettes: Director, Dave Bingner: 3 shooters were in attendance. Temperature was 2 degrees, BRRRR!
As hearty as they are, it didn't take them long to shoot.

IDPA: Director, Rocky Mink: Matches will resume in March. Last shoot was in November.

Cowboy Action: Director, Ron Mudie: Shoots will resume in March.

Benchrest – Dark for 2017.

Groundhog and Egg shoot: Director, Dick Hohstadt: Next match will be held from benches since none of the shooters are getting any younger.

July 14 & 15, 2017 will be the Safari Shoot.

Practical Pistol: Needs a new director to continue.

Most disciplines will resume matches in March of 2017. Please refer to the club calendar.

Those present discussed potential ways to encourage participation in work parties. The same members shoulder the workload consistently. If you have the time, please support the club by assisting. It would be greatly appreciated. Thank you!
