Old Business

Dick Hohstadt took soil samples at the range last week.

Firewood crew will resume soon.

Sheldon Strand reports grant is submitted, but we will not know the results until February 2018.

Current club membership is 576.

Sheldon Strand reported that Nampa Gun Club caps membership at 600. Their yearly fee is \$100, plus a \$10 key fee.

The membership requests no night shooting at the ranges. Darrel Plank reports that he has considered posing of new signs.

New Business

Indoor lighting at the River (100 yard) Range is weak, more so in cold weather. Consideration of LED lighting has occurred.

The club house roof at the pistol range was cleaned of pine needles. The roof on the outhouse will be repaired.

The repaired/revised gate at the pistol range works well.

Respectfully submitted,
Martha Bailey
