OLD BUSINESS

Idaho Power requests to survey the land 5 miles on either side of the gun club. Request declined by the club. Idaho Power notified by telephone and mail.

Outhouses are usable at the 300 yard range.

Lock was changed at the 300 yard range.

NEW BUSINESS

Bulletin boards were placed by Darrel Plank at the ranges with a calendar. So when people arrive at the ranges they will be aware of any activities planned for the day.

Due to rodent damage, there is a need for a cabinet to place the paper items in at the 300 yard range.

Club was approached by YHEC (Youth Hunter Education Challenge) regarding any plans

for youth oriented programs. Discussed by the members present, no plans at present due to poor participation to previous programs at LGRPC in the past.

 " Nearly all men can stand adversity, but if you want to test a man's character, give him power."
