

## Turkey Shoot 2017

Hey there members --- where were you for the turkey shoot ? Shoulda been there. It started out with a little snow but soon stopped and got pretty darn nice. Sure wasn't the 16 or so below like it has been in the past. We had 15 shooters show up. We had 2 from Baker 2 from Lostine 1 from Pendleton 1 from Starkey 1 from North Powder. About 1/2 from out of town !!! One feller was on time for a change but when it came time to shoot lo and behold he had no rifle -- so a REAL quick to home and back he was back in business . Shot well too. Good shootin Bob B. Sunshine found out her front sight was in the wrong place ( DANG ) There were a few other folks with a bunch of reasons ( excuses ) too. We had 8 relays - 7 rifle and 1 pistol. Rifle relays were from 25 to 100 yds and the pistol relay was at 25 yds. Turkey winners were Dick Hohstadt - pointy bullet, Kris Reike - pointy bullet, Dave Bingner - black powder catg. John Crockett - muzzle loader, Ivan Judd- muzzle loader Darrel Croucher- pointy bullet, Gary Langlitz- lever gun ( I think ) Darrel Plank- pointy bullet. Ya I know a dang backslider !!! But it worked -- over all winner was Darrel Plank with a 267 -6x , 2nd was Dick Hohstadt with 257-1x , 3rd was Gary Langlitz with 255-6x . Any way we all had a good time and it was voted to do it again in Nov next year. Had a good chili feed as usual thanks to Sunshine and a really good apple cobbler with whip creame thanks to Gary Langlitz. So those that didnt shoot so good at least they ate well. Hope to see you and a bunch more next year . Thanks to all of you for coming out to shoot and all of your help settin up and tearin down. Darrel
