New Business

Work will begin on new outhouses next week, plan to do score shack work at 300 yard range also.

Club now has 399 members

2 dead pine trees were cut at the pistol pits, they were cut and the timbers were sent to the Troy Muzzleloaders Club.

The club will purchase 4 Kindel Fire tablets to assist the Practical Pistol discipline in their scorekeeping and recording. The USPSA requires the scores be sent online. Total cost \$600.00.

Due diligence was discussed, need to have a GPS address for Air Link and a landing zone for helicopter. Update first aid kits and availability.
