

## 22 Benchrest 9/9/23

The last match of the 2023 season had a good turn-out and very good shooting conditions. Mike Frolander had a new (to him) Martini rifle that seems to shoot very well. He seems to shoot most rifles well as does his wife Kari. Dave Bingner was shooting a new rifle made for him by Dennis Fuller. It also shoots well as Dave beat Dennis's score. Dennis may have to do some adjustments to Dave's rifle to solve this problem.
