

**MATCH RESULTS-.22 SILHOUETTE
FEBRUARY 4, 2024
LA GRANDE RIFLE AND PISTOL CLUB**

So-o-o-o-o, we are about to run out of “opportunities” to have some “WINTER” this winter!! Today was a beautiful day for February, sunshing, mild temps, no snow and little wind. 25 shooters, including three youths and five Ladies worked the silhouettes over pretty good and everyone had fun. No guarantees, but we will try to arrange good weather for the March shoot.

Following are the February results, which follow the scores for December and January:
(30 points possible, seven shooters with 20+ scores-good shooting!!)
